

Partner with us for the 2025

Worth County Fair

Since 1879, the Worth County Fair has provided Worth County residents, friends, family, and visitors with 5 days of entertainment, attractions, community, and fun! Today, more than 4,000 attendees come together each year to celebrate our rural communities and to educate others about agriculture at the Worth County Fair!

This annual event would not be possible without the help and support of our generous partners, volunteers, and community members.

With your support we can continue to offer:

- Free Rides on family night
- Discounted admission for seniors & veterans
- Complimentary fair tour for nursing home residents
- Quality grandstand and grounds entertainment for all ages
- Complimentary event venues for non-profit organizations (excluding fair dates)
- Beautiful grounds for our community to enjoy year-round

Large or small, your partnership can make a difference!
